

Small Groups

If you call CVBC your church home and you want community, you are encouraged to join a small group!

- Small Groups at CVBC focuses on building deeper relationships with fellow believers. We do this by providing a smaller community as we pray together, study the Bible, and challenge each other to grow in our faith and reliance on God in all aspects of life.
- Small groups often discuss the most recent sermon, or other books of Scripture, and focus on applying it to their lives.
- Small groups prioritize prayer and shouldering one another's burdens in life.
- Small groups have a goal of meeting at least 2x per month.
- Small groups meet at various times, days, and locations throughout the year.

Contact Mark Wathke or email him at smallgroups@cvbc.net for more information.
